

On July 16, 2022, 988 will officially go live. In response, legislation specifically addressing 988 funding and services is pending or has been passed. Other states do not have 988 legislation but may have funding planned through general crisis services streams.

HOTSEAT TRIVIA

How many of the states that have RI crisis sites have pending or have passed 988 legislation?

A: Two

B: Four

C: Six

D: Nine

According to the Status of State 988 Legislation map provided by NAMI on May 31, 2022, four of the states in RI's service network have 988 legislation. Virginia and Washington have Comprehensive 988 Implementation enacted. Ohio has Partial 988 Implementation legislation pending. California has Comprehensive 988 legislation pending.
